

Dallas Safari Club Youth S,A,F,E,T,Y, Appreciation

To the Greatest Volunteers in the World,

The Dallas Safari Club Youth S.A.F.E.T.Y. Extravaganza was a huge success because of our volunteers. Every aspect of the youth program, the volunteers, the students and the parents were incredible. Greystone Castle is a tremendous venue to showcase the beauty of the Texas outdoors along with exceptional facilities for our youth.

Your participation is the main reason the SAFETY event is available for our youth. You encouraged and provided safety education to all of students and parents that attended. Each one will value and cherish their adventure that you helped create. Thank you for all of your generosity, your time, your expertise and commitment to show the heart and character of a Dallas Safari Club volunteer.

We had 140 volunteers who enjoyed creating memories for a lifetime. I'm sure each and every volunteer will look forward to the next grand adventure, Dallas Safari Club Youth S.A.F.E.T.Y. Extravaganza, September 24, 2011.

PS We raised \$165.00 for the volunteer firemen. A special thanks for the contributions.

See you in September,
