Activities include recruitment, training, practice, safety, demonstrations, education, counseling, competition, fund-raising, travel to other venues, and use of a wide range of shooting equipment.

3. MEMBERSHIP

A. Definition

Membership in the **Shooting Stars** is open to anyone age 8 or older willing to be active in group meetings, activities and events that has interest in Olympic-style shooting sports and indicates their desire to be part of the group by:

- (1) Completing a member **application form and all attachments, including Team Shooting Stars Code of Athlete and Parent/Guardian Conduct.**
- (2) Payment of **Shooting Stars membership dues and acceptance of the applicant(s).**
- (3) Participation in scheduled events and activities.

Parents, youth, family and community members are encouraged to join the Shooting Stars to provide support and assistance with group events and activities even if they do not participate in training, shooting practice, or matches. There shall be no distinction in membership whether a person is a “*shooting*” member or a “*support*” member.

B. Classifications of Membership

Membership shall be in one of two categories:

- (1) *Regular Membership*: **One adult person or up to 3 junior persons in the same family** who desire access to range facilities or coaching resources. Junior classification will be based on USA Shooting age classifications as of the date dues are paid. Additional members of the same family who desire access to range facilities or coaching resources will be regarded as separate regular memberships. Adults over 60 years of age may join at the associate member rate, but otherwise enjoy the same benefits as regular members.
- (2) *Associate Member*: **One person** of any age who doesn't participate in shooting activities but desires single-member voting rights.

C. Dues

Dues shall be based upon membership classification. Dues are payable at the time of initial registration and are renewed on a monthly or annual basis. Amounts shown are determined at the annual meeting for **membership in Shooting Stars only.**

Regular Member	\$50.00 per month or \$500.00 per year
Associate Member	\$25.00 per month or \$250.00 per year

Dues shall be paid monthly or annually on a rolling basis based on the date of membership.

Members electing to pay dues on a **monthly** basis **MUST** setup an automated, recurring monthly draft using a credit or debit card.

Members paying **annually** **MAY** setup an automated, recurring annual draft using a credit or debit card, OR make a one-time payment by personal check, cash, debit card or credit card.

Members setting up automated, recurring monthly or annual payments **may cancel their recurring payment at any time.**

Members paying **monthly** who cancel their recurring payment will be **considered terminated immediately as of their cancellation date.**

Members paying **annually** who cancel their recurring payment **may remain members in good standing** as long as their annual dues are current and may pay their annual dues by personal check, cash, debit card or credit card on their annual renewal date.

As an added incentive for members to participate in coaching roles, members with active NRA or USA Shooting coaching credentials and current SafeSport training certification who volunteer as coaches for at least 9 regular training sessions during a single quarter may request reimbursement of their member dues for that quarter. Requests must be submitted in writing or via email to the Treasurer and must be approved by the board. The board may request signoff from the head coach of any coaching duties performed. Requests for dues reimbursement should be submitted on a quarterly basis for the prior quarter.

NO REFUNDS WILL BE PROVIDED to members electing to terminate their memberships prior to their monthly or annual renewal date.

D. Affiliate Membership Status

Membership in the Shooting Stars does not require membership in any other organization; however, participation is encouraged in shooting supportive organizations such as, USA Shooting (USAS), National Rifle Association (NRA), Texas State Rifle Association (TSRA), etc.

E. Membership in Good Standing

Members must be “in good standing” to participate in Shooting Stars sponsored activities and events.

A member shall be considered “in good standing” if an up-to-date registration application form is on file, has paid dues, and has minimally participated in scheduled activities and events during the past year in addition to regularly scheduled training and practice. Activities and events include, but are not limited to: meetings, volunteer activities, fundraising, transportation, event supervision, and leadership activities.

Any group member in good standing may attend any meeting. The leadership Council (defined in 4E below) shall be present at all meetings.

Other than the annual meeting (that requires a two-week prior written notice), any member who wishes to attend a meeting is responsible for contacting leaders to determine the time and location of meetings.

E. Leadership

Beginning thirty days before the date of the annual meeting, members may place names of members in good standing in nomination for any officer's position by submitting names in writing to the Secretary. Nominations may also be made from the floor the day of the annual meeting. The Secretary will prepare secret ballots for voting with spaces for the addition of names nominated from the floor and the President will appoint a committee to distribute, collect the unsigned ballots, and tally the results of the voting. Winners will be declared by a simple majority of those members in good standing present and voting in favor. The new officers will take office on the first day of the new fiscal year. In the case in which there are no nominations for an office, if the current officer agrees to serve for an additional term and a majority of the members present vote in favor, the officer may remain for an additional term. If the officer does not receive a majority vote, at its first meeting the new Council may appoint a member in good standing to fill the position. No officer should serve for more than two consecutive terms in the same office.

Officers shall be members or (non-member) parents/legal guardians of a junior member in good standing and serve as non-compensated volunteers, except that they shall be entitled to be repaid for expenses which they may incur in the execution of their duties from time to time, having beforehand received approval from the Council. To **remove an officer from the Council** before the expiration of the officer's term, a complaint signed by a member in good standing must be presented to the Council, with supporting evidence as to the circumstance of the complaint. The Council has thirty days to investigate the substance of the complaint, to consult with the general membership, if so desired, with outside authorities, or to act on the complaint as it sees fit. The Council may also decide to take no action, tabling the complaint for up to 60 days, after which time, the Council must take action as noted above or dismiss the complaint.

A record of the complaint, whether acted upon or dismissed by the Council, is to be placed in a confidential file maintained by the Secretary and continued from year to year, made available only to members of the Council. However, **any action taken by the Council concerning removal of an officer must be unanimous** with all officers being present and voting, with the exception of the officer being removed. 5. FINANCES

The Shooting Stars shall keep open financial records that are available for inspection by any member in good standing at any time.

This organization is organized exclusively for charitable, religious, educational and scientific purposes under section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code.

Upon dissolution of this organization, assets shall be distributed for one or more exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future

federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose.

A. Record Keeping and Reporting

The Shooting Stars is an affiliate group and as such is not a licensed nonprofit organization; however, all generally accepted not-for-profit accounting practices shall be used to monitor and report group finances.

The Shooting Stars may open and maintain bank accounts needed to conduct business. Accounts shall not be interest bearing (to avoid income reporting) and must have four adult officer names as authorized signatures.

Two authorized signatures are required to dispense or pay any group funds for any purpose.

B. Expenditure Authorization Procedure

Authorizations to use or spend group funds must be submitted in writing and be approved by the leadership Council prior to expenditure. All expense approvals require at least three members of the Council.

The leadership Council may act between regularly scheduled meetings to approve expenditures that arise by communicating between one another via email or in writing. If such an approval happens, it shall be reported at the next regular meeting and entered into the minutes of that meeting.

C. Non Budgetary Expenditures

No officer may be part of the required three approvals if they are to be the sole recipient of the expenditure. This does not exclude an officer from being one of the required three leadership approvals if the officer will receive benefit as part of a group, within the scope of group designated expenditures such as a paid entrance fee to a match. This is to forbid officer approval if the officer will receive personal benefit.
